

ICD Translation

Language Service Providers (LSPs) give you the same translation basics. What makes ICD Translation stand out? We go above and beyond giving you the power.

LSP Basics

VS

ICD Super Team

SALES & SERVICE

From Sales to Project Manager to Translator to Editor to Desktop Publisher to Proofreader. Many people are a part of a project.

COMPETITIVE PRICING

Pricing is driven by overhead and is quoted per word, page, hour or at a flat rate.

UP TO DATE TECHNOLOGY

Nowadays, most LSP's have similar cloud-based technology.

RELIABLE TRANSLATION

Using a pool of translators, most LSP's offer consistent translation in several languages.

MEMORY ACCESS?

Most LSP's have a Translation Memory System (TMS).

FRIENDLY SALES & SERVICE

Consistent points of contact with Sales and Project Managers. Relationships are important to us.

HONEST & FAIR PRICING

We are privately owned and financially stable. We'll work together to get you where you want to be.

TECHNOLOGY FOCUSED

CMS, LMS and website translation proxy service available. We consistently seek new tools to streamline the translation process.

ACCURATE & TRUSTED TRANSLATION

For over 25 years, we've built lasting partnerships with our native-speaking translators who understand the nuances of language, customs, and industry terminology.

MEMORY ACCESS

Translation Memory System (TMS). Searchable cloud access at anytime. We store your personal memory securely and indefinitely to save you money.

ICD Super Powers

"Faster than a speeding bullet!"

Yes, we are pretty darn quick.

"More powerful than a locomotive!"

We have a super team of professional native-speaking translators translating into over 75 world languages — that's power!

"Able to leap tall buildings at a single bound!"

Ok, we can't do this, but we CAN help you reach your target market, supersize your sales, and knockout your competition.

*We are also, really nice to work with (which now-a-days is considered "super").
